Company Profile

Established in 2017, **The Atelier SG group** of companies started with a mission to provide the highest standards of safety to water facilities by deploying qualified and professional lifeguards. Our clientele have grown to include private clubs, government public pools, international schools and hotels.

Over the years and with the continued trust and support of our valued clients, we have attained reputable accreditations as a training center, providing lifesaving and first aid courses. It is our vision to equip communities with first aid skillset so that many can be a first responder and play a part when circumstances calls for it.

Products/Services Offering

The Atelier has provided professional lifeguard services since its inception, serving clients from public pools to major international aquatic events. Atelier is also the only training center in South-East Asia accredited by Ellis & Associates for lifeguard and first aid training. It is also accredited by the Singapore Resuscitation And First Aid Council (SRFAC) to provide various first aid courses, all compliant with International Liaison Committee on Resuscitation (ILCOR) guidelines.
