Invitation

Dear Sir/Madam,

Thank you for your continued support for the China-Arab States Expo!

Approved by the State Council, the China-Arab States Expo is an international exposition at the national level co-sponsored by the Ministry of Commerce of the People's Republic of China, China Council for the Promotion of International Trade and the People's Government of Ningxia Hui Autonomous Region. Since 2013, with "Friendship, Cooperation and Win-Win Development" as its purpose, the Expo has been successfully held for six sessions in Yinchuan, Ningxia.

The Seventh edition of China-Arab States Expo will be held from August 28 to 31, 2025 in Yinchuan, Ningxia. With Advancing Innovation Towards a Green and Prosperous Future as the theme, it will focus on the implementation of the "eight major cooperation initiatives" and "five cooperation frameworks" for China-Arab practical cooperation, and give full play to its role of serving as an important platform for jointly building the Belt and Road Initiative between China and Arab States. By doing so, we aim to deepen the traditional cooperation including economy and trade, energy, science and technology, and agriculture, and nurture new growth drivers in AI, green and low-carbon development, smart meteorology etc.. This year's Expo will consist of various trade and investment matchmaking events, exhibitions and displays, in an effort to advance the extensive exchanges and cooperation in economy and trade between China and other participants of the Belt and Road Initiative including Arab states.

The Organizing Committee of the Expo will invite Chinese and foreign dignitaries, ministerial-level officials, ambassadors of relevant countries to China, and representatives of international organizations, national-level chambers of commerce and enterprises from home and abroad.

Nothing, not even mountains and seas, can separate people with common goals

and ideals. We sincerely invite you to join us at the Seventh China-Arab States Expo, with a view to sharing opportunities for a new chapter in our cooperation.

Best regards.
